

ASSONOMETRIE

Assonometria isometrica del prisma a base esagonale

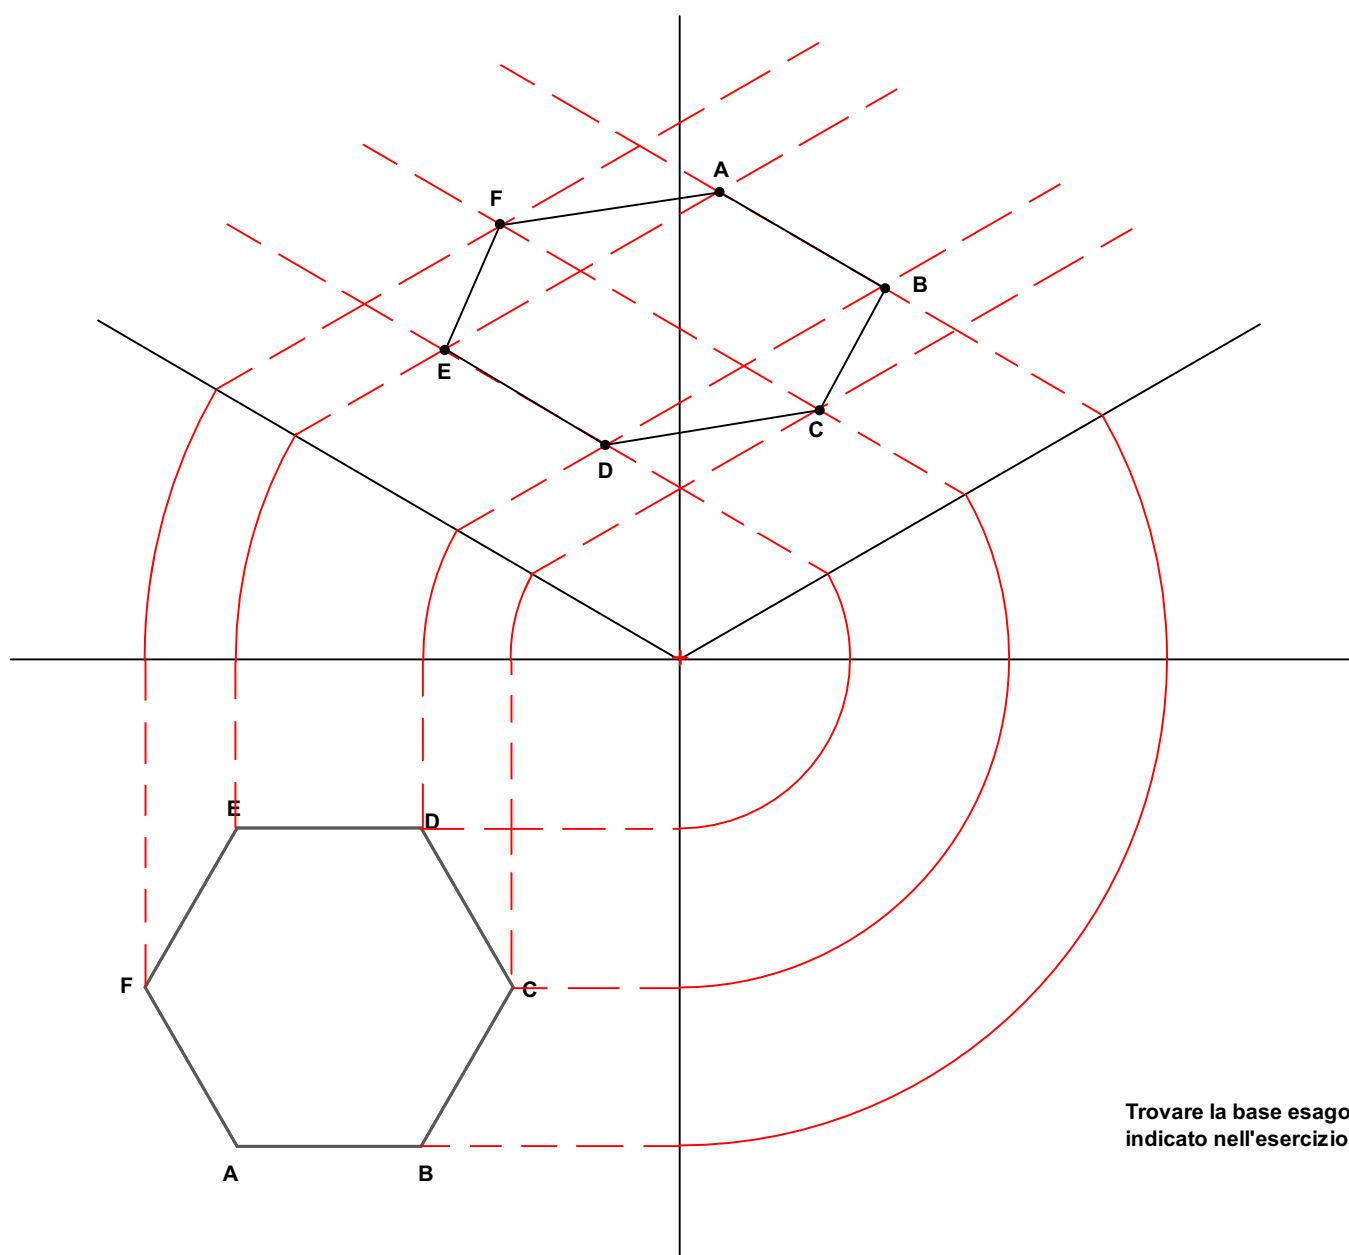

procedura grafica

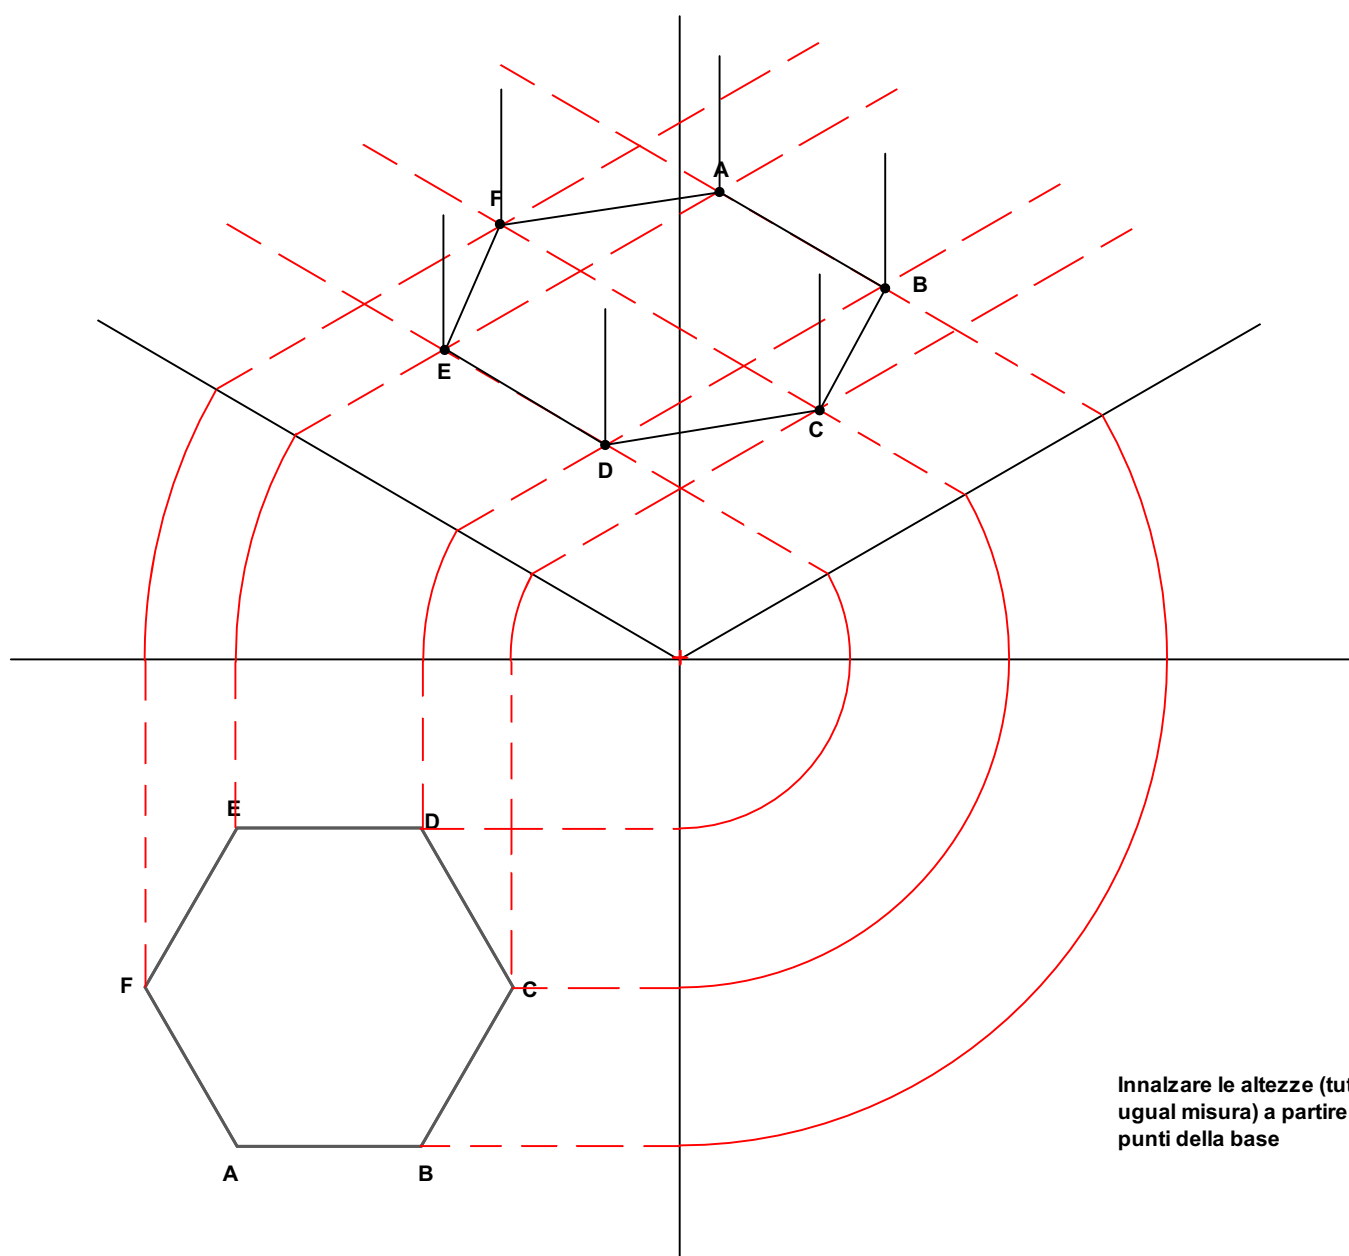

PRISMA A BASE ESAGONALE

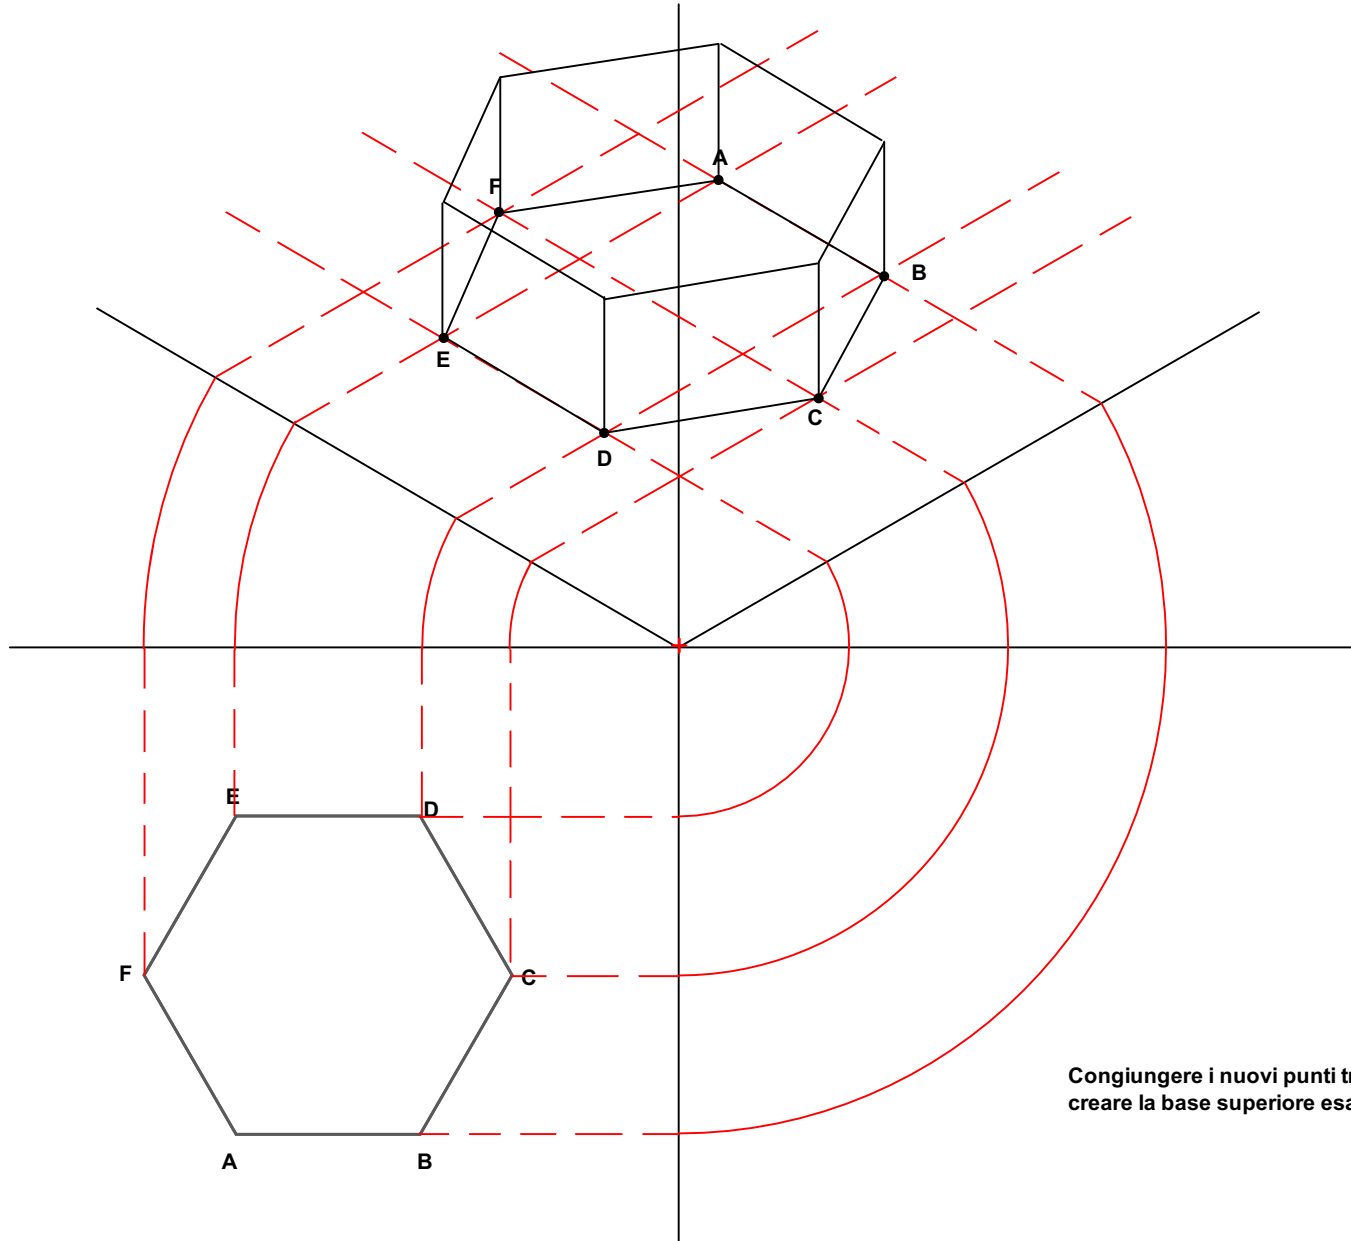

PIRAMIDE A BASE ESAGONALE

Trovare la base esagonale come
indicato nell'esercizio precedente

Innalzare le altezze (tutte di
ugual misura) a partire dai
punti della base

**Congiungere i nuovi punti trovati per
creare la base superiore esagonale**
